

Sinclair's decision to air a program so biased to one party , is an outrage to the freedom loving people of this nation. I am deeply angered that such can be allowed from Sinclair or any other media outlet regardless of the party who profits from this favoritism. It is my hope you will take action to prevent this and, allow our election system to move forward fairly to it's conclusion. Thank you, Clyde Mowery, Lucasville Ohio, 45648
